We agreed that the questionnaire should concentrate on the Housing options and the subject of the views would be addressed separately.

Bob Puzey had supplied a list of features to be noted / preserved which was formulated from past consultations and suggested that this should be noted as an appendix. Bill Bloxsome agreed to add this.

ACTION: Bill Bloxsome

It was felt that we do not need assistance with the questionnaire but it would be helpful to have assistance with analyzing the results. This would also show impartiality. Chris Barron confirmed that there is money in the budget for this. Bill Bloxsome agreed to check with Max Bassett if she is available.

ACTION: Bill Bloxsome

Three methods of collecting the questionnaires were discussed. Electronically, by post and at drop off points at the Village Halls. It was agreed that a combination of all three would be best.

5. Project Plan

Chris Barron checked whether the deadline for returning the questionnaire Ruth Dolman had put in the script had any effect on the timeline, and confirmed it did not.

6. Date for next meeting - To Be Confirmed
